

To help build your confidence I would like you to write 3-5 lines on the following topics in an unfiltered manner. Credits for this exercise go to psychotherapist Nathaniel Branden.

Day 1

Living consciously means to me _____

If I bring 5% more consciousness to my activities today _____

If I pay more attention to how I deal with people today _____

If I bring 5% more awareness to my most important relationships _____

When I reflect on how I would feel if I lived more consciously _____

Day 2

Self-responsibility means to me _____

Independence means to me _____

Thinking for myself means _____

Trusting my own mind means _____

If any of what I wrote above is true _____

Day 3

If I bring 5% more awareness to my most important relationships _____

If I bring 5% more awareness to my insecurities _____

If I bring 5% more awareness to my deepest needs and wants _____

If I bring 5% more awareness to my emotions _____

Day 4

Sometimes I keep myself passive when I _____

Sometimes I make myself helpless when I _____

If I avoid responsibility for my life and wellbeing _____

If I take 5% more responsibility for my life and wellbeing _____

If I take 5% more responsibility for the attainment of my goals _____

Day 5

If I bring a higher level of self-esteem to my dealings today _____

If I insist on living with impeccable integrity _____

If I am 5% more self-accepting today _____

If I am 5% more conscious of my big goals _____

If I were unafraid of failure _____
