

Directions

Many of us have blindly accepted how we spend our time in the evenings so I would implore you to analyse two evenings over the next week to write down all activities you're doing from the moment you finish work (whether at the office or at home) until you get into bed.

 Time	 Activity

Arrive home

Go to Sleep

 Time	 Activity

Arrive home

Go to Sleep

N.B.: Be honest and go about your usual evening first without trying to be perfect. It is only once we have this true information that you will see evident time sinks deteriorating the quality of your evenings and sleep.
